CHASE WEBB DIES FROM HEART ATTACK

Antioch Merchant and Civic
Leader Passes Away
at Home Here

FUNERAL FRI. MORNING

Chase Webb, former township supervisor and Antioch merchant, died yesterday morning in his home at 1013 Main street, from heart attack.

He had been ill for several days and was confined to his bed because of the heart ailment, but during the last few days his condition was regarded as being improved and he was thought to be recovering.

Death came suddenly yesterday morning at 9:30 o'clock while he was chatting with his wife and Henry Grimm, his nephew, who had called to see him.

Long Business Career.

The deceased had been a merchant in Antioch for the past 42 years and had been prominently identified with civic interests in western Lake county for more than half a century. His public services included terms as township supervisor for six years, 1915-1921; president of the village, and committeeman from his home precinct, Antioch 2, which office he had held for many years. He has been vice president of the State Bank of Antioch since its organization in 1925, and was also vice president of the Crystal Falls, (Michigan) Hardware company. He was one of the older members of the Antioch lodge of Masons.

Born in Antioch Township.

Born in Antioch township November 24, 1863, he was one of a family of seven children born to Ira Ray Webb and Jane Potter Webb. The place of his birth was the Tamarack farm four miles east of Antioch, and he spent his entire life in this community with the exception of three years, 1890-1893, when he was in business in Florence, Wisconsin.

Returning to Antioch the year of the Columbian Exposition in Chicago, he began his business career here as a member of the firm of Webb Bros. & Perkins, general merchants. In 1900 the firm changed to Webb & Boylan, and after two years Mr. Webb bought his partner's interest, becoming sole owner of the store which bears his name and which he managed for 33 years.

He was married December 29, 1907, to Susan Morley, who with their son, Emmet Morley Webb, born Nov. 21, 1909, survives him. Also surviving him is one brother, Robert Bradley Webb, of Crystal Falls, Mich., and two sisters, Mrs. F. W. Stevens, Virginia, Minnesota, and Mrs. William Hodge, Antioch. Two brothers, Bernard E. and George E. Webb, and a sister, Mrs. Ezekiel Boylan, preceded him in death.

Funeral Friday.

Funeral services will be held from St. Ignace's Episcopal church at 10:00 a. m. Friday with the Rev. J. E. Charles officiating. Honorary pallbearers were named by the family as follows: J. E. Brook, D. B. Sabin, E. L. Simons, James Stearns, M. M. Burke, J. N. Crowley, Adam Dibble, William Gray, Charles Sibley, William Kelley, F. B. Kennedy, Ray Pregener, H. S. Reeves, W. F. Ziegler, Charles Smith, A. J. Felter, John Sibley, Thomas Coole, and Thomas Gaggin. Nephews of the deceased will act as pallbearers.

The family has made request that no flowers be sent.

The body will be taken to Chicago for cremation and the ashes will be returned to Antioch for burial.

As a token of respect to the departed merchant Antioch stores will be closed tomorrow for two hours, from 10 o'clock until noon.

Chief Whirling Thunder Lands Steady Job in City

Chief Whirling Thunder, the full-blooded Winnebago brave who appeared before the Antioch Woman's Club some months ago, has been added to the staff of the Chicago Park District, according to the Chicago Herald and Examiner.

At Hermosa Park, Belden and Kilbourn ays, he has opened a program in Indian lore. Boys will be taught all kinds of Indian handicraft.

The Chief will return to Antioch in April to appear in a program under the auspices of the Parent-Teachers' association.

Mrs. Charles Alvors of Chicago spent a few days this week with her son, Charles.

Catches 15-Pound Pickerel at Lake Marie

Fishermen in this locality are reporting good sport and many good catches of the finny tribe through the ice on nearby lakes. The biggest catch last week was that made Thursday by Henry Pape who hooked a 15-pound pickerel at Lake Marie. A week previous he caught a pickerel weighing 10 1/2 pounds. About 18 inches of ice covers the lake, according to fishermen.

TYRRELL GAINS BUT RECOUNT IS STILL IN DOUBT

Plan to Speed up Canvassing; May Move to Throw out Whole Precincts

While the recount of the ballots cast for sheriff now in progress in County court is a nip and tuck battle, indications are that Bart Tyrrell, democratic candidate as the canvass now stands has shortened the lead of Sheriff Lawrence A. Doolittle considerably.

Although there are many rumors current as to the number of votes gained by Tyrrell in the recount no definite figures are available. Indications are however, that the democratic candidate has picked up approximately 100 votes.

Reports are current in the ranks of the democratic party that demands will be made on the court that all of the votes cast in two precincts be thrown out. The Republicans are also planning to attack the legality of ballots cast in two precincts.

Both of the candidates are making no claims to victory however, declaring that they are withholding any statements in the matter until all of the votes are counted and those in question are properly adjudicated.

As a measure of overcoming the delay in deciding the issue Judge Perry L. Persons yesterday approved the appointment of another canvassing team. As the one team now at work has been handling the ballots at the rate of three precincts a day it is to be supposed that with two from five to six will be disposed of each day. The new team will start work on Monday. About 25 of the 75 precincts have been checked to date.

40 EMPLOYED IN IMPROVEMENT WORK AT HIGH SCHOOL

Projects for Building and
Grounds Will Extend
Over 10-wk. Period

A force of approximately 40 men supplied by the Illinois Emergency Relief Commission are employed in the improvement projects at the Antioch Township High School, according to Principal L. O. Bright who made requisition last fall for the financing of the work recommended on the building and grounds. The major part of the work being done at present is excavating under the old building, and the space being made available will be used largely for storage of janitor's supplies, cafeteria supplies, lumber and stage equipment, and it is hoped that the room underneath the study hall may be made into a suitable library.

The agriculture room has been plastered and is now being painted, and the manual training shop has been plastered.

When weather permits further work will be done on the grounds, according to present plans.

The school is in receipt of a questionnaire from the federal government asking how a part of the \$4,800,000,000 appropriation can be used for improvement projects and relief of unemployment here.

E. Spacie, new teacher in Antioch high school, will move his family into the Mecklenburg house on Spafford St. on March 1st.

Miss Helen Schenning attended the funeral of her uncle, H. W. Schenning at Silver Lake Tuesday.

Washington made the country, Lincoln preserved it, Edison lighted it, Ford put it on wheels.

Mrs. Bertha Elwood attended a party at Trevor Saturday night.

Mrs. J. B. Drom is ill with pneumonia. Mrs. Boyd is caring for her.

PROPOSED NEW BILLS WILL HIT "MARRIAGE ROW"

Two Already in Legislature
Will End "Racket" in
Waukegan if Passed

"Marriage Row" in Waukegan will come to an abrupt end and the desirable features of the office of justice of the peace in the county seat city will be removed if proposed legislation designed to correct the abuses of the state's ancient marriage law is enacted at Springfield. There are four such bills, two of which have already been introduced in the Illinois legislature. They are expected to be passed at this session.

One of the bills demands that persons contemplating marriage must both apply for a marriage license not less than three days nor more than 30 days prior to the time the license is issued. This would end sudden marriages, such as have been the subject of severe criticism in Waukegan.

Proposed Measures

In brief the four proposed measures provide, respectively:

1. Application for a marriage license must be made by both parties to the marriage at least three days and not more than 30 days before the license is to be issued.

2. Defendants in breach of promise or alienation of affection suits may not be named in the original filing of such cases. Proceedings may be amended to include defendant's names only after the justice to whom the case has been assigned, has heard a summary of the evidence and has determined that there are reasonable grounds for the action.

3. Separate maintenance decrees may remain in force for only two years. At the expiration of that period it is mandatory for the parties either to reunite or obtain a divorce decree. The law would include a provision enabling either party to obtain a divorce on grounds of desertion after living apart for two years under the separation decree. Neither party loses property rights.

4. Co-respondents in divorce suits in which adultery is charged become parties to the suit and must receive notice of the proceedings so that they may appear if they choose to do so. No co-respondent in such a case may be named in the original bill, and the co-respondent may be identified only after a justice before whom a preliminary hearing has been held, has given approval of this act.

PIONEER RESIDENT DIES AT PIKEVILLE

George Tillotson Came to
This Community 75
Years Ago

George E. Tillotson, 79, one of Pikeville community's oldest citizens, died at his home Saturday evening following an illness of influenza. He had been an invalid since he suffered a paralytic stroke six years ago.

George Edwin Tillotson was born in Medina, Ohio, Feb. 1, 1856, the eldest son of Samuel and Lucinda Tillotson, and he came with his parents to Union Grove, Wis., at the age of two years. The family came to the farm at Pikeville Corners in 1859 and the remainder of his life was spent there with the exception of 14 years when he was a resident of Kansas.

Kenosha County Teacher

He attended the Kenosha high school and spent two years as a teacher in Kenosha county. On January 22, 1879, he was married to Ellen L. Simmons, and they spent the ensuing 14 years in Greenleaf, Kansas, returning to Pikeville in 1893. Here he was actively engaged in farming until about ten years ago when his health failed.

Surviving are his wife and five children: Harrie A., who resides on the farm homestead, Mrs. Georgia Scoville and Mrs. Greta Bishop, both of Kenosha, Wis., Miss Grace Tillotson, Antioch, and Mrs. Ada Klug, Wadsworth. There are eleven grand children. Surviving him also is a brother, Frank, who is living in Coconut Grove, Florida.

Harry Pesat, son of Mr. and Mrs. Adolf Pesat, narrowly escaped serious injury when he coasted down the driveway of his home on Victoria street in front of a car last Thursday afternoon. He had a few minor bruises on his head.

NEW CANDIDATES ADD INTEREST IN TOWN POLITICS

Names of Aspirants Will
Appear on Three
Tickets

Local politics took on added interest this week with the entry of several new candidates for township office. Ten aspirants, seven of whom have already filed their petitions with Town Clerk C. F. Richards, will make up the roster of candidates at the election April 2, unless additional candidates file before February 26. The final day for withdrawing petitions will be March 1.

Names of candidates will appear on three different tickets, according to the petitions. Heading the ballots as candidates for supervisor will appear the names of William A. Rosling, incumbent, and Barney Naber, former holder of the office, who have filed on the People's ticket; Elmer Hunter, garage employee, and Richard Macke, former proprietor of the Antioch Palace, who will file as a Progressive.

To date four candidates have entered the race for highway commissioner. Carl Barthel, incumbent, up for re-election, will be opposed by former commissioner, Frank Dunn, Ned Bates, former proprietor of "Queen of the West" resort hotel at Peelle lake and DeLain Elgby, well known garage mechanic of Antioch.

There have been no further filings for the office of justice of the peace, according to Clerk Richards. Two have filed for this office—J. B. Dickson, tire and battery dealer, of Antioch, and Ray Sorenson of Channel Lake.

Sorenson and Bates are filing on the Independent ticket.

FATHER-SON BANQUET SET FOR FEBRUARY 21

Clarence Diver, Waukegan
Attorney, to be the
Speaker

Attorney Clarence Diver, Waukegan, president of the Waukegan Township High School Board of Education, will be the principal speaker at the Annual Father and Son dinner which will be held at the Antioch Methodist church Feb. 21, at 6:30 o'clock, according to announcement made today by Ralph E. Clabaugh and Rev. L. V. Sitter of the committee on arrangements.

Every father in the community will be invited to buy a ticket for himself and a boy, committee members stated. Tickets for two will sell for 75 cents, and they have been placed with members of the ticket committee. Members of this committee are Russell Barnstable, Dr. D. N. Deering, H. B. Gaston, Otto Klass, L. V. Sitter, Dr. L. J. Zimmerman, S. E. Pollock and R. E. Clabaugh. Men who have no sons they can take to the dinner will be supplied with a son for the occasion.

Mrs. Laddie Masek Dies In Hospital

Funeral Services Will Be
Held in Antioch Saturday
Afternoon

Mrs. Laddie Masek died at six o'clock this morning at the Lake county hospital, Waukegan, following an illness of several weeks' duration.

Before her marriage last July she was Miss Betty Hostetter, daughter of Mr. and Mrs. Charles Hostetter of Antioch, and was a student at the Antioch high school. Since her marriage she and her husband have been living at the home of his father who operates a service station in north Antioch.

Besides the husband she is survived by her parents, two sisters Mrs. Glen Pfeiffer, Oak Park; Leona, at home, and a brother, Charles, at home; also two step brothers, Oren Hostetter, Antioch, and Gilbert Hostetter, Maywood; and a step-sister, Mrs. Virginia Wilson, Chicago.

Funeral services will be held at 2:00 o'clock Saturday afternoon from Strang's funeral home, with the Rev. S. E. Pollock officiating. Former schoolmates of the deceased will act as pallbearers. Interment will be in Antioch cemetery.

Mrs. Roy Murrie has been quite ill.

Antioch Grade School Makes Application For IERC Labor Fund

Application has been made through the Illinois Emergency Relief Commission for labor for improvement projects at the Antioch grade school, Principal Ralph E. Clabaugh announced today. The work contemplated consists of raising the sidewalks at low points, grading, and the removal and trimming of trees. The work will start when the application is approved.

OVER 200 HEAR SCOUT PROGRAM AT HIGH SCHOOL

Twelve Antioch Boys Apply
for Membership After
the Meeting

Over 200 parents, teachers and friends of boys heard Arne Makela, president of the Lake County Council of Boy Scouts, and Rev. L. V. Sitter, local scout master, tell about the boy scout movement in America and the value of the organization to the youth of the world at the meeting held at the high school gymnasium Tuesday night. The meeting was held as a part of the nationwide Silver Jubilee celebration of the organization in America.

At the close of the meeting 12 applications for membership were received from Antioch boys.

Attorney Makela spoke of the value of scout activities in character building in boys, preparation for citizenship, and of scout requirements, and Rev. Sitter told of plans for the local scouting program under the sponsorship of the Antioch Post of the American Legion, expressing his appreciation for the splendid support that is being given to the movement in this locality. Mrs. George Phillips, captain of the Antioch Girl Scout troop, also addressed the meeting.

Other features of the program included music by the High School Band; Scout Pledge of Allegiance by Virgil Horton; Address of Welcome, Otto Klass; Reading of the Preamble to the American Legion Constitution; Introduction of Scout Committee; Tribute to Lincoln, by Miss Roberts; Remarks by Arthur Fuller, Americanism Officer of the Waukegan Legion Post; and Demonstration by a Scout Patrol from Waukegan.

Talking Pictures To Be Shown At Evening School

Next Wednesday evening the subject of developing the dairy heifer will come up for discussion at the Dairy Evening School. Three reels of talking movies will also be shown by Mr. Gilkerson, County Farm Bureau Agent. 4-H Club members are especially urged to be present. Parents should bring any of their children who are eligible to membership to see these pictures.

Owing to the low prices of dairy cattle during recent years, the tendency has been to reduce the number of heifers kept on farms. Ever since 1930 the number of heifer calves kept has been more or less constant, which should tend to check the expansion in dairy cow numbers. The government program of last summer calling for the slaughter of millions of cattle from drought affected areas, should also affect the dairy prices. Government testing for Bangs Disease and the eradication of reactors will also materially reduce numbers.

All these factors together with the regular replacements that must be made, will necessarily call for the production of more heifers during the next few years.

Come to this session of the evening school to hear and take part in the discussion on how best to develop the young dairy calf into a high production cow. The most logical procedure is not to raise many indifferent animals but a few good individuals as the regular cattle cycle is not due for a shortage of milk animals for some years yet. However, we can start preparing for it now. It is not too early.

The discussion will be in charge of C. L. Kuttel.

Mr. and Mrs. C. E. Waldo returned Tuesday from Eau Claire, Wis., where they have had charge of the dining service in the Elks' club during the winter.

Mr. and Mrs. Gilbert Pierce arrived Monday night from Vermont for a two weeks' vacation at the home of the latter's parents, Mr. and Mrs. Frank R. King.

TWO DIE IN GUN BATTLE AFTER STORE HOLDUP

Reinhold Fleucker Is Slain
Officer H. Schenning
Dies of Wounds

Two are dead as an aftermath of a Honey Creek, Wis., store hold-up Friday night. Reinhold Fleucker, alleged participant in the holdup, was killed outright by Burlington police officers near the outskirts of the city, and Police Officer H. W. Schenning wounded in the gun battle, died in a Burlington hospital Saturday night. An internal hemorrhage from a gunshot wound in the abdomen brought death.

District Attorney John Brown Monday issued a warrant charging Leonard Fischer, 31, Burlington, with first degree murder in connection with the slaying of Schenning.

Fleucker was slain by a charge of shotgun slugs fired by Officer Arthur Rein, who with Schenning, gave chase to the robber suspects. Both officers were wounded. The holdup man's body was said to have been pushed from his speeding auto by his robber companion.

Fischer's Car Used in Holdup

The running fight occurred after the two policemen, searching for an auto that had sped from the nearby village of Honey Creek, overtook a car containing Fleucker and an unidentified companion. Fischer, thought to have been Fleucker's companion, was connected with the crime when it was found his car had been used in the holdup.

The robbery at Honey Creek occurred at the Drommond store where the bandits took about \$95.

After Burlington police were notified that the store had been held up they started a search for the bandits. They were inside of the Burlington limits on the Honey Creek road when they saw a car coming toward them. Rein, the driver of the police car, stopped his machine. The driver of the other machine stopped his car and swerved from the dirt road and headed toward Rochester, Wisconsin. Police gave chase.

The escaping car was finally forced from the road and the officers got out of their machine and walked toward the automobile.

Exchange Shots.

The driver of the supposed bandits machine was armed with a sawed off shotgun. There was an immediate exchange of shots in which both Rein and Schenning were wounded. Rein was not seriously wounded and went to the aid of Schenning who was seriously hurt and lying beside the road. Officers could not say whether they had shot the driver of the other machine or his companion.

As Rein was aiding his wounded companion, the other car was driven away. Fleucker was pushed out of the escaping machine further down the road. Schenning was taken immediately to the Burlington hospital.

Strange Coincidence.

A strange coincidence was revealed this week. Fleucker was a playmate of Schenning in their childhood days at Silver Lake.

Fleucker and Schenning were both educated at Silver Lake, and both later moved to Burlington.

Schenning was one of the most popular of Burlington's police officers. He became a policeman there seven years ago and before that operated a garage. He is survived by his wife and two children.

Fleucker was known for several years as the companion of Frank Kamin, former Antioch bank teller, who is now confined in the Waupun penitentiary for robbing the Meinhart State Bank in Burlington in May, 1931. Fleucker was captured following that robbery in which Kamin was wounded. Fleucker was acquitted of the charge, but Kamin was convicted.

It was Schenning who stood in the street at Burlington and emptied his gun at Kamin and his companions as they fled after the Meinhart bank holdup. Kamin was wounded so badly that he was unable to be brought to trial for months.

Williams Bros. Store Is Being Remodeled

Williams Bros' store in Antioch is undergoing an extensive remodeling as to fixtures and decorations. Modern shelving has replaced the old, show window background has been changed to admit more light; walls are being painted. Other changes are contemplated, according to W. R. Williams, manager of the store.

GRADE
SCHOOL
NOTES**"In School Days"**HIGH
SCHOOL
NOTES**Sequoits Great in
Defeat at Tourney
Game Thursday Night**

Warren defeated Antioch Thursday night 13-11 before an overflow crowd. Barrington lost to Libertyville 21-19; so the evening was packed with thrills.

The Sequoits held a 9-6 advantage at halftime holding all the Warren team but Zimmerman, the captain, scoreless. The second half was featured by great defensive play on both sides. With a minute to go the Blue Devils scored on the verge of victory when Antioch in a last desperate rally pushed three baskets through the hoop which did not count because Warren fouled the Antioch shooter before he shot each time. The players were unable to hear the whistle, signifying that play had stopped.

Despite their defeat the locals gave an excellent account of themselves and much can be said to their credit. Steffenburg with two baskets and three free throws led the scoring. Bishop did a good job of captaining his team and excellent defensive games were played by Simpson and Crandall.

Libertyville displayed unusual form in holding Latta, big Barrington center, to a mere minimum of his usual number of points.

**COACH SUTER
GETS PROMOTION**

Mr. Suter, the Science teacher, has been called to Lane Technical High School in Chicago. Appointments come only after examination in Chicago, and Mr. Suter has been called twice before, but has refused both times. If he had refused to go a third time, he would not have had another chance, so he accepted the position of Chemistry teacher at Lane. Mr. Suter has been replaced by Mr. Spade, of Oak Park, who has a Bachelor's Degree from DeKalb, and a Master's Degree from the University of Iowa.

**Herman Conducts Unique
Course at Night School**

Mr. Al Herman is conducting a course entitled "Make Your Own Job." There are two classes for high school boys and there is one class for young men who are not in high school.

**Mrs. Richey Chairman
of Home Economics Meet**

at Palmer House Saturday
Mrs. Richey is going to attend the Conference of Home Economics Teachers of Northern Illinois at the Palmer House in Chicago on Saturday, February 9. Mrs. Richey is to be the chairman of the program for the meeting.

The "Keystone State"

On the Fourth of July, 1774, the Continental Congress convened in Philadelphia to vote upon adoption of the Declaration of Independence and thus decide whether the thirteen colonies should secede from the British empire. Before the Pennsylvania delegation arrived, notes G. R. Turner in the Kansas City Times, twelve states had voted, with the result that six were in favor of independence and six were opposed to separation from the mother country. When the Pennsylvanians came in, John Morton cast the deciding vote for independence. Thus Pennsylvania, by its vote, decided the great issue and rightly earned the popular name of "the Keystone State."

First Strike in This Country

The first strike in American history took place in 1789, when the journeymen printers of Philadelphia quit work to enforce their demand for a minimum wage of \$8 a week.

**GRADE TEAMS
SPLIT DOUBLE
WITH MUNDELEIN**

Antioch grade school basketball teams split a double header here last night with the Mundelein teams, the second team losing the opener to the visitors, 5 to 4, and the first team swamping their visiting rivals, 17 to 3. Brogan and Dalgard were the leading point-getters for Antioch.

**TEETH
and
HEALTH**

By Dr. J. M. WISAN
Chairman, Council on Mouth Hygiene
New Jersey State Dental Society

CRYSTAL GAZING

WHAT does the future hold for us in dental health?

While the actual cause of dental caries has not as yet been ascertained and while we have failed to find the real cause of "pyorrhea," nevertheless it does seem as though the children of the next generation will show improved dental conditions.

Certainly the schools, with their improved health education technique, will improve the health habits and attitudes of those who will be the future fathers and mothers. This can not help but improve future prenatal dietaries and result in children being born with healthier teeth and with fewer dental defects.

Many nutrition experts believe that the minerals calcium and phosphorus are stored in our bodies for future use. If this is so, then the increased consumption of milk and dairy products of our children will improve dental conditions of future years.

All in all, an improved health concept is discernible—and that means a wider realization of dental needs.

Many ordinary habits indulged in by adults are detrimental to their teeth. Dr. Wisan will discuss these next week.

The Word "Scamp"

The word "scamp" originally signified a traveler, but three hundred years ago when a man traveled he generally had a good excuse for doing so, for few left home save when compelled, and to be a traveler was practically equivalent to being a rogue.

Fish Has Sharp Jaws

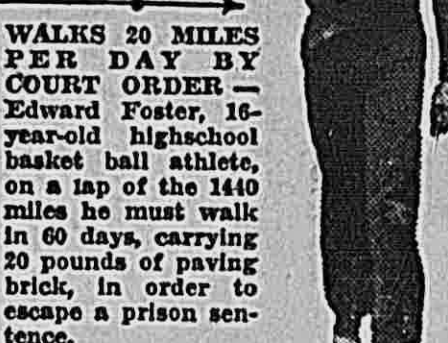

The needle fish, a deep-sea denizen, has its jaws elongated into needle-like points.

GREETED AT OPERA

GERALDINE FARRAR, who left the stage of the Metropolitan Opera House amid the tears and cheers of thousands of admirers 12 years ago, returned to the regions back-stage the other day to receive a smaller but no less sincere ovation.

The greeting was more quiet than the farewell because the thousands of spectators were replaced by a few dozen stage hands, but every stage hand was an old friend who had known and loved "Jerry" Farrar in the 16 glamorous years she reigned at the Metropolitan.

Now, as she returned to prepare for her new role as radio raconteuse at the Saturday afternoon broadcasts of Metropolitan Opera performances over National Broad-casting Company networks they crowded enthusiastically about to welcome her home.

Even the old stage cat, now in its ninth life, came to rub its back against her skirt in welcome. And if every stage hand remembered Geraldine Farrar, the former opera star remembered every stage hand. Calling each by name, inquiring about children and wives and recalling incidents of the past, she passed a full afternoon with the men who used to decorate her dressing room with flowers as a token of their affection.

Dancing on the Ceiling
Up to a few years ago in the rural sections of the Tyrol in Austria, the "ceiling dance" usually ended each party. Balancing their partners upside down over their heads, the husky maidens would dance on the floor while their men danced on the ceiling.—Collier's Weekly

MILLBURN

J. S. Denman, L. S. Bonner and Arthur Long spent several days in Springfield, where they attended the annual meeting of Mutual Fire Insurance companies of Illinois.

A daughter was born to Mr. and Mrs. Harrison Stephens at Victory Memorial Hospital, Feb. 3, 1935.

The Millburn Division of the Warren Parent-Teacher association held a card party at the home of Mr. and Mrs. Harry Herrick Friday evening.

Mr. and Mrs. George Edwards and Mrs. Eva Ailing spent Friday afternoon in Kenosha.

The Ladies Aid Society meeting and dinner postponed from February 7 to February 14, will be held at the home of Mrs. Robert Bonner.

Mrs. E. A. Martin and son, Richard, and Doris Jamison spent Wednesday and Thursday at Appleton, Wisconsin.

The O. E. S. held a card party at the Masonic Hall Saturday evening. Mr. and Mrs. Robt. Edwin of Waukegan spent Sunday afternoon at the George Edwards home.

The Parent-Teacher Association met at the school Tuesday evening. After the business meeting, a program consisting of a violin solo by Richard Martin, saxophone solo by Mr. Herrick, piano solo by Lois Bonner and a talk on Spurious Drugs and Cosmetics which are so misrepresented in advertisements in our magazines and newspapers.

William Bauman spent Saturday and Sunday in DeKalb, Illinois.

Mr. and Mrs. Charles Holdridge and daughters and Mr. and Mrs. George Larsen of Waukegan spent Sunday afternoon at the Lewis Bauman home.

The third annual district conference of the Children's Division of Lake County Council of Religious Education will be held in the Methodist church at Libertyville Saturday, February 9, 1935.

Mrs. W. A. Bonner spent Monday and Tuesday at Gurnee with her mother, Mrs. C. E. Denman, who is ill.

Making Emery Wheels

Emery wheels can be made by mixing about one ounce of shellac to a pound of emery. Use finely powdered shellac and add a small portion of rosin, a piece about the size of a walnut, to an ounce of shellac, and a piece of old vulcanized india-rubber about the same size, to give toughness. These are well mixed and melted together.

SCOUTS

(continued from page 1)
the "gang!" And the pressure from within the Troop tends to keep the boy "physically strong, mentally awake, and morally straight."

Sponsored by American Legion.

Contrary to some common opinions, Scouting is not an expensive organization. It is a saving in money through character building. The very economy advanced through uniforms and equipment, camping and out-of-door activities resulting in the growth of interest on the part of the boy in higher ideals more than offsets the cost. The boy is taught to be thrifty and industrious and earn his own equipment and make his own way in Scouting.

Men of high official connections are actively connected with Scouting. President Roosevelt acting as Honorary President, Vice President Garner serving as Honorary Vice-President, and others serving on the National Council and Advisory Committee. In our own local community the American Legion is sponsoring the Troop and solicits your support, interest and co-operation in promoting the movement among the boys. Give the boys of our community a life toward the better things in life.

**Future Farmer Chapter
to Show 'Wagon Wheels'**

Zane Grey's "Wagon Wheels," a recent film production of the customary Western setting will be shown at the Antioch Theatre on Wednesday and Thursday evenings, February 13th and 14th, under the auspices of The Antioch Chapter of The Future Farmers of America. This organization of boys studying Vocational Agriculture at the Antioch High School under the direction of C. L. Kuttel, the instructor, wish to strengthen their funds so as to be of assistance to boys who are ambitious to get started in some farm project and are not able to do so alone. In the past many boys have been aided with loans extended to them. Expenses of State Judging Contests have also been taken care of by the organization.

Mark the dates on your calendar, and come and enjoy one of Zane Grey's greatest pictures, "Wagon Wheels."

Famous French Palace
The palace of Versailles is mostly the work of Louis XIV. It consists of a central block surrounding the three sides of a large court and of two immense wings, each inclosing two or more courts. The total length of the building with its dependencies is nearly one-half mile. It houses a picture gallery, upon which Louis XIV spent \$5,000,000.

Re-l-y-o, Ro-De-o
Both pronunciations ro-day-o and ro-de-o are given by different authorities, though the original Spanish pronunciation of ro-day-o, with accent on second syllable, is preferred by the dictionaries.

CHASE WEBB DIES FROM HEART ATTACK

Antioch Merchant and Civic
Leader Passes Away
at Home Here

FUNERAL FRI. MORNING

Chase Webb, former township supervisor and Antioch merchant, died yesterday morning in his home at 1013 Main street, from heart attack.

He had been ill for several days and was confined to his bed because of the heart ailment, but during the last few days his condition was regarded as being improved and he was thought to be recovering.

Death came suddenly yesterday morning at 9:30 o'clock while he was chatting with his wife and Henry Grimm, his nephew, who had called to see him.

Long Business Career.

The deceased had been a merchant in Antioch for the past 42 years and had been prominently identified with civic interests in western Lake county for more than half a century. His public services included terms as township supervisor for six years, 1915-1921; president of the village, and committeeman from his home precinct, Antioch 2, which office he had held for many years. He has been vice president of the State Bank of Antioch since its organization in 1925, and was also vice president of the Crystal Falls, (Michigan) Hardware company. He was one of the older members of the Antioch lodge of Masons.

Born in Antioch Township.

Born in Antioch township November 24, 1863, he was one of a family of seven children born to Ira Ray Webb and Jane Potter Webb. The place of his birth was the Tamarack farm four miles east of Antioch, and he spent his entire life in this community with the exception of three years, 1890-1893, when he was in business in Florence, Wisconsin.

Returning to Antioch the year of the Columbian Exposition in Chicago, he began his business career here as a member of the firm of Webb Bros. & Perkins, general merchants. In 1900 the firm changed to Webb & Boylan, and after two years Mr. Webb bought his partner's interest, becoming sole owner of the store which bears his name and which he managed for 33 years.

He was married December 29, 1907, to Susan Wiley, who with their son, Emmet M. Webb, born Nov. 21, 1909, survive him. Also surviving him is one brother, Robert Bradley Webb, of Crystal Falls, Mich., and two sisters, Mrs. F. W. Stevens, Virginia, Minnesota, and Mrs. William Hodge, Antioch. Two brothers, Bernard E. and George E. Webb, and a sister, Mrs. Ezekiel Boylan, preceded him in death.

Funeral Friday.

Funeral services will be held from St. Ignace's Episcopal church at 10:00 a. m. Friday with the Rev. J. E. Charles officiating. Honorary pallbearers were named by the family as follows: J. E. Brook, D. B. Sablin, E. L. Simons, James Stearns, M. M. Burke, J. N. Crowley, Adam Dibble, William Gray, Charles Sibley, William Kelley, F. B. Kennedy, Ray Pregenzer, H. S. Reeves, W. F. Ziegler, Charles Smith, A. J. Felter, John Sibley, Thomas Coole, and Thomas Gaggins. Nephews of the deceased will act as pallbearers.

The family has made request that no flowers be sent.

The body will be taken to Chicago for cremation and the ashes will be returned to Antioch for burial.

As a token of respect to the departed merchant Antioch stores will be closed tomorrow for two hours, from 10 o'clock until noon.

Chief Whirling Thunder Lands Steady Job in City

Chief Whirling Thunder, the full-blooded Winnebago brave who appeared before the Antioch Woman's Club some months ago, has been added to the staff of the Chicago Park District, according to the Chicago Herald and Examiner.

At Hermosa Park, Belden and Kilmour avas, he has opened a program in Indian lore. Boys will be taught all kinds of Indian handicraft.

The Chief will return to Antioch in April to appear in a program under the auspices of the Parent-Teachers' association.

Mrs. Charles Alvera of Chicago spent a few days this week with her son, Charles.

Catches 15-Pound Pickerel at Lake Marie

Fishermen in this locality are reporting good sport and many good catches of the finny tribe through the ice on nearby lakes. The biggest catch last week was that made Thursday by Henry Pape who hooked a 15-pound pickerel at Lake Marie. A week previous he caught a pickerel weighing 10 1/2 pounds. About 18 inches of ice covers the lake, according to fishermen.

TYRRELL GAINS BUT RECOUNT IS STILL IN DOUBT

Plan to Speed up Canvassing; May Move to Throw out Whole Precincts

While the recount of the ballots cast for sheriff now in progress in County court is a nip and tuck battle, indications are that Bart Tyrrell, democratic candidate as the canvass now stands has shortened the lead of Sheriff Lawrence A. Doolittle considerably.

Although there are many rumors current as to the number of votes gained by Tyrrell in the recount no definite figures are available. Indications are however, that the democratic candidate has picked up approximately 37 votes.

Reports are current in the ranks of the democratic party that demands will be made on the court that all of the votes cast in two precincts be thrown out. The Republicans are also planning to attack the legality of ballots cast in two precincts.

Both of the candidates are making no claims to victory however, declaring that they are withholding any statements in the matter until all of the votes are counted and those in question are properly adjudicated.

As a measure of overcoming the delay in deciding the issue Judge Perry L. Persons yesterday approved the appointment of another canvassing team. As the one team now at work has been handling the ballots at the rate of three precincts a day it is to be supposed that with two from five to six will be disposed of each day. The new team will start work on Monday. About 25 of the 75 precincts have been checked to date.

40 EMPLOYED IN IMPROVEMENT WORK AT HIGH SCHOOL

Projects for Building and
Grounds Will Extend
Over 10-wk. Period

A force of approximately 40 men supplied by the Illinois Emergency Relief Commission are employed in the improvement projects at the Antioch Township High School, according to Principal L. O. Bright who made requisition last fall for the financing of the work recommended on the building and grounds. The major part of the work being done at present is excavating under the old building, and the space being made available will be used largely for storage of janitor's supplies, cafeteria supplies, lumber and stage equipment, and it is hoped that the room underneath the study hall may be made into a suitable library.

The agriculture room has been plastered and is now being painted, and the manual training shop has been plastered.

When weather permits further work will be done on the grounds, according to present plans.

The school is in receipt of a questionnaire from the federal government asking how a part of the \$4,800,000,000 appropriation can be used for improvement projects and relief of unemployment here.

E. Spacie, new teacher in Antioch high school, will move his family into the Mecklenburg house on Spatford Street March 1st.

Miss Helen Schenning attended the funeral of her uncle, H. W. Schenning at Silver Lake Tuesday.

Washington made the country, Lincoln preserved it, Edison lighted it, Ford put it on wheels.

Mrs. Bertha Elwood attended a party at Trevor Saturday night.

Mrs. J. B. Drom is ill with pneumonia. Mrs. Boyd is caring for her.

PROPOSED NEW BILLS WILL HIT "MARRIAGE ROW"

Two Already in Legislature
Will End "Racket" in
Waukegan if Passed

"Marriage Row" in Waukegan will come to an abrupt end and the desirable features of the office of justice of the peace in the county seat city will be removed if proposed legislation designed to correct the abuses of the state's ancient marriage law is enacted at Springfield. There are four such bills, two of which have already been introduced in the Illinois legislature. They are expected to be passed at this session.

One of the bills demands that persons contemplating marriage must both apply for a marriage license not less than three days nor more than 30 days prior to the time the license is issued. This would end sudden marriages, such as have been the subject of severe criticism in Waukegan.

Proposed Measures

In brief the four proposed measures provide, respectively:

1. Application for a marriage license must be made by both parties to the marriage at least three days and not more than 30 days before the license is to be issued.

2. Defendants in breach of promise or alienation of affection suits may not be named in the original filing of such cases. Proceedings may be amended to include defendant's names only after the justice to whom the case has been assigned, has heard a summary of the evidence and has determined that there are reasonable grounds for the action.

3. Separate maintenance decrees may remain in force for only two years. At the expiration of that period it is mandatory for the parties either to reunite or obtain a divorce decree. The law would include a provision enabling either party to obtain a divorce on grounds of desertion after living apart for two years under the separation decree. Neither party loses property rights.

4. Co-respondents in divorce suits in which adultery is charged become parties to the suit and must receive notice of the proceedings so that they may appear if they choose to do so. No co-respondent in such a case may be named in the original bill, and the co-respondent may be identified only after a justice before whom a preliminary hearing has been held, has given approval of this act.

PIONEER RESIDENT DIES AT PIKEVILLE

George Tillotson Came to
This Community 75
Years Ago

George E. Tillotson, 79, one of Pikeville community's oldest citizens, died at his home Saturday evening following an illness of influenza. He had been an invalid since he suffered a paralytic stroke six years ago.

George Edwin Tillotson was born in Medina, Ohio, Feb. 1, 1856, the eldest son of Samuel and Lucinda Tillotson, and he came with his parents to Union Grove, Wis., at the age of two years. The family came to the farm at Pikeville Corners in 1859 and the remainder of his life was spent there with the exception of 14 years when he was a resident of Kansas.

Kenosha County Teacher

He attended the Kenosha high school and spent two years as a teacher in Kenosha county. On January 22, 1879, he was married to Ellen L. Simmons, and they spent the ensuing 14 years in Greenleaf, Kansas, returning to Pikeville in 1893. Here he was actively engaged in farming until about ten years ago when his health failed.

Surviving are his wife and five children: Harrie A., who resides on the farm homestead, Mrs. Georgia Scoville and Mrs. Gretta Bishop, both of Kenosha, Wis., Miss Grace Tillotson, Antioch, and Mrs. Ada Kling, Wadsworth. There are eleven grand children. Surviving him also is a brother, Frank, who is living in Coconut Grove, Florida.

Harry Pesat, son of Mr. and Mrs. Adolf Pesat, narrowly escaped serious injury when he coasted down the driveway of his home on Victoria street in front of a car last Thursday afternoon. He had a few minor bruises on his head.

NEW CANDIDATES ADD INTEREST IN TOWN POLITICS

Names of Aspirants Will
Appear on Three
Tickets

Local politics took on added interest this week with the entry of several new candidates for township office. Ten aspirants, seven of whom have already filed their petitions with Town Clerk C. F. Richards, will make up the roster of candidates at the election April 2, unless additional candidates file before February 26. The final day for withdrawing petitions will be March 1.

Names of candidates will appear on three different tickets, according to the petitions. Heading the ballots as candidates for supervisor will appear the names of William A. Rosling, incumbent, and Barney Naber, former holder of the office, who have filed on the People's ticket; Elmer Hunter, garage employee, and Richard Macek, former proprietor of the Antioch Palace, who will file as a Progressive.

To date four candidates have entered the race for highway commissioner. Carl Barthel, incumbent, up for re-election, will be opposed by former commissioner, Frank Dunn, Ned Bates, former proprietor of "Queen of the West" resort hotel at Petite lake and DeLain Rigby, well known garage mechanic of Antioch.

There have been no further filings for the office of justice of the peace, according to Clerk Richards. Two have filed for this office—J. B. Dickson, tire and battery dealer, of Antioch, and Ray Sorenson of Channel Lake.

Sorenson and Bates are filing on the independent ticket.

FATHER-SON BANQUET SET FOR FEBRUARY 21

Clarence Diver, Waukegan
Attorney, to be the
Speaker

Attorney Clarence Diver, Waukegan, president of the Waukegan Township High School Board of Education, will be the principal speaker at the Annual Father and Son dinner which will be held at the Antioch Methodist church Feb. 21, at 6:30 o'clock, according to announcement made today by Ralph E. Claiborn and Rev. L. V. Sitter of the committee on arrangements.

Every father in the community will be invited to buy a ticket for himself and a boy, committee members stated. Tickets for two will sell for 75 cents, and they have been placed with members of the ticket committee. Members of this committee are Russell Barnstable, Dr. D. M. Deering, H. B. Gaston, Otto Klass, L. V. Sitter, Dr. L. J. Zimmerman, S. E. Pollock and R. E. Claiborn. Men who have no sons they can take to the dinner will be supplied with a son for the occasion.

Mrs. Laddie Masek Dies In Hospital

Funeral Services Will Be
Held in Antioch Saturday
Afternoon

Mrs. Laddie Masek died at six o'clock this morning at the Lake county hospital, Waukegan, following an illness of several weeks' duration.

Before her marriage last July she was Miss Betty Hostetter, daughter of Mr. and Mrs. Charles Hostetter of Antioch, and was a student at the Antioch high school. Since her marriage she and her husband have been living at the home of his father who operates a service station in north Antioch.

Besides the husband she is survived by her parents, two sisters, Mrs. Glen Pfeiffer, Oak Park; Leona, at home, and a brother, Charles, at home; also two step brothers, Oren Hostetter, Antioch, and Gilbert Hostetter, Maywood; and a step-sister, Mrs. Virginia Wilson, Chicago.

Funeral services will be held at 2:00 o'clock Saturday afternoon from Strang's funeral home, with the Rev. S. E. Pollock officiating. Former schoolmates of the deceased will act as pallbearers. Interment will be in Antioch cemetery.

Mrs. Roy Murrie has been quite ill.

Antioch Grade School Makes Application For IERC Labor Fund

Application has been made through the Illinois Emergency Relief Commission for labor for improvement projects at the Antioch grade school. Principal Ralph E. Claiborn announced today. The work contemplated consists of raising the sidewalks at low points, grading, and the removal and trimming of trees. The work will start when the application is approved.

OVER 200 HEAR SCOUT PROGRAM AT HIGH SCHOOL

Twelve Antioch Boys Apply
for Membership After
the Meeting

Over 200 parents, teachers and friends of boys heard Arne Makela, president of the Lake County Council of Boy Scouts, and Rev. L. V. Sitter, local scout master, tell about the boy scout movement in America and the value of the organization to the youth of the world at the meeting held at the high school gymnasium Tuesday night. The meeting was held as a part of the nationwide Silver Jubilee celebration of the organization in America.

At the close of the meeting 12 applications for membership were received from Antioch boys.

Attorney Makela spoke of the value of scout activities in character building in boys, preparation for citizenship and of scout requirements, and Rev. Sitter told of plans for the local scouting program under the sponsorship of the Antioch Post of the American Legion, expressing his appreciation for the splendid support that is being given to the movement in this locality. Mrs. George Phillips, captain of the Antioch Girl Scout troop, also addressed the meeting.

Other features of the program included music by the High School Band; Scout Pledge of Allegiance by Virgil Horton; Address of Welcome, Otto Klass; Reading of the Preamble to the American Legion Constitution; Introduction of Scout Committee; Tribute to Lincoln, by Miss Roberts; Remarks by Arthur Fuller, Americanism Officer of the Waukegan Legion Post; and Demonstration by a Scout Patrol from Waukegan.

Talking Pictures To Be Shown At Evening School

Next Wednesday evening the subject of developing the dairy heifer will come up for discussion at the Dairy Evening School. Three reels of talking movies will also be shown by Mr. Gilkerson, County Farm Bureau Agent. 4-H Club members are especially urged to be present. Parents should bring any of their children who are eligible to membership to see these pictures.

Owing to the low prices of dairy cattle during recent years, the tendency has been to reduce the number of heifers kept on farms. Ever since 1930 the number of heifer calves kept has been more or less constant, which should tend to check the expansion in dairy cow numbers. The Government program of last summer calling for the slaughter of millions of cattle from drought affected areas, should also affect the dairy prices. Government testing for Bangs Disease and the eradication of reactors will also materially reduce numbers.

All these factors together with the regular replacements that must be made, will necessarily call for the production of more heifers during the next few years.

Come to this session of the evening school to hear and take part in the discussion on how best to develop the young dairy calf into a high production cow. The most logical procedure is not to raise many indifferent animals but a few good individuals as the regular cattle cycle is not due for a shortage of milk animals for some years yet. However, we can start preparing for it now. It is not too early.

The discussion will be in charge of C. L. Kuttel.

Mr. and Mrs. C. E. Waldo returned Tuesday from Eau Claire, Wis., where they have had charge of the dining service in the Elks' club during the winter.

Mr. and Mrs. Gilbert Pierce arrived Monday night from Vermont for a two weeks' vacation at the home of the latter's parents, Mr. and Mrs. Frank R. King.

TWO DIE IN GUN BATTLE AFTER STORE HOLDUP

Reinhold Fleuker Is Slain
Officer H. Schenning
Dies of Wounds

Two are dead as an aftermath of a Honey Creek, Wis., store hold-up Friday night. Reinhold Fleuker, alleged participant in the holdup, was killed outright by Burlington police officers near the outskirts of the city, and Police Officer H. W. Schenning wounded in the gun battle, died in a Burlington hospital Saturday night. An internal hemorrhage from a gunshot wound in the abdomen brought death.

District Attorney John Brown Monday issued a warrant charging Leonard Fischer, 31, Burlington, with first degree murder in connection with the slaying of Schenning.

Fleuker was slain by a charge of shotgun slugs fired by Officer Arthur Rein, who with Schenning, gave chase to the robber suspects. Both officers were wounded. The holdup man's body was said to have been pushed from his speeding auto by his robber companion.

Fischer's Car Used in Holdup

The running fight occurred after the two policemen, searching for an auto that had sped from the nearby village of Honey Creek, overtook a car containing Fleuker and an unidentified companion. Fischer, thought to have been Fleuker's companion, was connected with the crime when it was found his car had been used in the holdup.

The robbery at Honey Creek occurred at the Drommond store where the bandits took about \$95.

After Burlington police were notified that the store had been held up they started a search for the bandits.

They were inside of the Burlington limits on the Honey Creek road when they saw a car coming toward them. Rein, the driver of the police car, stopped his machine. The driver of the other machine stopped his car and swerved from the dirt road and headed toward Rochester, Wisconsin, Police gave chase.

The escaping car was finally forced from the road and the officers got out of their machine and walked toward the automobile.

Exchange Shots.

The driver of the supposed bandits machine was armed with a sawed off shotgun. There was an immediate exchange of shots in which both Rein and Schenning were wounded. Rein was not seriously wounded and went to the aid of Schenning who was seriously hurt and lying beside the road. Officers could not say whether they had shot the driver of the other machine or his companion.

As Rein was aiding his wounded companion, the other car was driven away. Fleuker was pushed out of the escaping machine further down the road. Schenning was taken immediately to the Burlington hospital.

Strange Coincidence.

A strange coincidence was revealed this week. Fleuker was a playmate of Schenning in their childhood days at Silver Lake.

Fleuker and Schenning were both educated at Silver Lake, and both later moved to Burlington.

Schenning was one of the most popular of Burlington's police officers. He became a policeman there seven years ago and before that operated a garage. He is survived by his wife and two children.

Fleuker was known for several years as the companion of Frank Kamin, former Antioch bank teller, who is now confined in the Waupun penitentiary for robbing the Melnhart State Bank in Burlington in May, 1931. Fleuker was captured with Kamin in a Twin Lakes cottage following that robbery in which Kamin was wounded. Fleuker was acquitted of the charge, but Kamin was convicted.

It was Schenning who stood in the street at Burlington and emptied his gun at Kamin and his companions as they fled after the Melnhart bank holdup. Kamin was wounded so badly that he was unable to be brought to trial for months.

Williams Bros. Store Is Being Remodeled

Williams Bros.' store in Antioch is undergoing an extensive remodeling as to fixtures and decorations. Modern shelving has replaced the old, show window background has been changed to admit more light, walls are being painted. Other changes are contemplated, according to W. H. Williams, manager of the store.

Chase Webb

A few years ago, in connection with a resume of Antioch's representative business men, a writer for the Antioch News penned the following lines about Chase Webb:

"He has made the discovery that man is human—neither a machine nor an angel; and he considers humanitarianism as the beacon light to carry his business forward. The Golden Rule is the keynote to the success of his business. To him the most gorgeous tapestry of trickery appears as a mere rag alongside the simple beauties of a square deal."

Those lines might have been written at any time during the life of the man who yesterday passed to his reward. Profoundly human, sympathetic, understanding, Chase Webb was a master of the art of living and mingling with his fellow humans. He has exemplified in deeds what it means to live usefully and honorably, and to retain the esteem and respect of all men until the end.

An esteemed citizen and friend has passed on, but the influence of his exemplary life remains as a beacon to those who were privileged to know him.

THE PRESIDENT AND ORGANIZED LABOR

The ominous word "strike" is no longer found daily in newspaper headlines. But this doesn't mean that labor is satisfied either with government labor plans or industry. It is as far from holding out the palm of peace now as it was a year ago.

Washington observers have been forecasting a labor blow-up for some months—and it looks as if that long-feared event put in its official appearance on February 2. On that day, burly, hard-boiled John H. Lewis, head of the United Mine Workers, thrust a thick wedge between the American Federation of Labor and the Roosevelt Administration.

Focal point of Mr. Lewis' attack was Donald Richberg, who is often termed "The Assistant President." Reason for the attack was renewal of the existing automobile code, which the Federation has bitterly opposed, in that it permits men to work 48 hours per week—as compared to the 30-hour week for all industry, which the Federation passionately espouses.

You may not believe in Mr. Lewis' opinions—millions of people don't—but it is generally agreed that he is sincere, honest and outspoken. He represents the old-time belligerent type of labor leader who has definite opinions and doesn't mind airing them. When he becomes involved in a verbal duel, he never wears gloves.

Mr. Lewis said flatly that Donald Richberg is a "traitor to organized labor." He stated that Mr. Richberg has deserted his former comrades. It is interesting to remember, in this connection, that Mr. Richberg made his reputation as a hard-fighting labor lawyer, that when General Johnson appointed him to the post of NRA counsel, conservatives feared he would be excessively pro-labor in his attitude.

Mr. Richberg's reply to the union charge of treason, was that it amounted to a demand that he put union

interests above loyalty to his government. He added: "If a refusal to yield to such a demand be treason, let those who charge it make the most of it."

Mr. Lewis is often at outs with his A. F. of L. associates, and his opinions might have been largely disregarded as being of a purely personal nature, had not A. F. of L. President Green followed him up by saying that the Lewis' statement "reflects the Federation's feelings very strongly." Mr. Green then said that he would shortly go to the White House with a union protest against delay in codification of the tobacco industry.

That brings up another important point in the widening gap between Administration and labor leaders. Cigarette manufacturers, afraid of unionization of their industry, will have nothing to do with the proposed tobacco code. That, to labor's way of thinking, is bad enough—and it becomes infinitely worse in the light of the fact that the NRA chairman is S. Clay Williams, formerly president of one of the "big three" cigarette makers—the R. J. Reynolds Tobacco Company. NRA officials have said several times that Mr. Williams withdraws from board meetings when the tobacco code is being discussed, in an effort to avoid charges of prejudice—but labor doesn't seem to be convinced. They don't call the NRA officials liars directly—but they intimate just about that.

It is noteworthy that union leaders have not yet criticized the President—all the criticism is directed toward various of his aides. However, Mr. Roosevelt makes all present government policies, and Mr. Richberg, Mr. Williams and others are directly responsible to him. It is therefore possible that the labor leaders will eventually come out with direct criticism of the President—and the potential political results of that would be tremendous. A. F. of L.'s membership is imposing in size and it is usually considered a potent political influence. Whether that is true or not will be seen in the future—some believe that the rank and file of labor does not follow its leaders blindly, that Mr. Green and Mr. Lewis and other union heads control fewer votes than they think.

At any rate, the Labor-Administration battle is likely to be one of the most important internal problems of the next year. Whether strikes will result—and on a greater scale than a year ago—cannot be safely forecast now.

TAXES COST MORE THAN FOOD

What is the largest item in your family's budget?

If you answer food, clothing, rent or similar expenses, on which you spend the bulk of your income directly, you'll be wrong. Taxes are the largest item of expense carried by the American people—and they lead their nearest competitor by a wide margin.

Food, the most vital of all necessities, costs the nation \$7,600,000,000 a year. Clothing takes \$3,600,000,000. Rent also takes \$3,600,000,000, and automobiles dent the national pocketbook to the extent of \$2,900,000,000. Electric service costs United States families only \$650,000,000.

The national tax bill, by comparison, is \$9,000,000,000—a billion and a half greater than the national food bill. That being the case, where is the most important place to start in to reduce the cost of living?

These figures will come as a surprise to the average citizen, who thinks only of the sums of money he spends directly in the course of day by day living. What he should realize is that taxation now represents an exorbitant part of the cost of everything.

A cut in the cost of government would be directly and immediately reflected in a lower cost of living—and in stimulated employment, investment and industrial expansion. No other cost weighs so heavily on individuals and businesses alike—no other family living expense is rising so rapidly. It is a historical fact that extravagant government promotes depression and discord.

HICKORY

Mr. and Mrs. G. R. Lantz from Chicago visited the Nels Nielsen family Saturday.

Mr. and Mrs. Ralph Fields and daughter, Hazel, also Caryl Nielsen were Kenosha shoppers Saturday afternoon.

Mr. and Mrs. W. Funk and family from Kenosha visited Sunday afternoon at Leo Carney's.

Mr. and Mrs. Ed Stream attended a dinner party at the home of Mrs. Frank Smith in Chicago Saturday evening.

About forty neighbors and friends surprised Mr. and Mrs. Will Edwards at their home, Saturday evening. The party was in honor of both their birthdays this week. The evening was spent in dancing and playing cards.

Miss Grace Tillotson drove to Delavan, Wis., Monday afternoon. Caryl Tillotson returned home with her for grandfather's funeral.

Ticker Tape System

The first ticker was a printing telegraph which was patented by Royal Earl House, April 18, 1848. The ticker was first exhibited at the American Institute fair, New York city in 1844. It was used extensively for about ten years when it was superseded by new models. The first ticker to operate at a fast speed was installed November, 1929, in the Bankers Club of America, on the 38th floor of the Equitable building, 120 Broadway, New York. It printed 500 characters a minute. It operates on only one transmitting wire instead of two as did the old tickers.

FIVE-PASSENGER CHEVROLET FOR FIVE FAMOUS PASSENGERS

Dr. Allan Roy Dafoe, world renowned physician who has attended the Dionne quintuplets from their birth, now drives to the babies' special hospital in Callender in a new car, a gift of friends. The Chevrolet was formally presented to Dr. Dafoe by the mayor of North Bay, W. G. Ballbrook. Present at the ceremonies were Yvonne Dionne, Annette Dionne, Marie Dionne, Cecile Dionne and Emilie Dionne, who slept soundly during the speech-making.

Lake Villa News

Tom Brompton Family to Leave for West

Tom Brompton had a public auction on Tuesday to dispose of his live stock and machinery used on the Sherwood farm where he has lived for the past three years. He and his family, composed of two daughters, Mabel and Ethel, and one son, Howard, plan to leave very soon for Colorado where they expect to locate, though they decided on no permanent or special locality. We are sorry to lose them, and hope that they may enjoy their new home.

Undergoes Operation

William Walker, Jr., who underwent an appendix operation early last week, is recovering nicely at the hospital.

Robbers Loot

Hadad's Tavern

Ben Hadad's tavern was the scene of a robbery on Wednesday night of last week. The robbers gained entrance through a window, took a slot machine, a quantity of liquor and \$16.00 in cash. They left no clues.

The Father-Son banquet which was to have been held on Feb. 22, has been indefinitely postponed.

The Ladies' Aid Society will meet at the Ladies' Aid room on Wednesday afternoon, Feb. 20, and it is hoped that there will be a good attendance, as there is important business.

Bob Madison was taken to the hospital last Saturday suffering from scarlet fever. We hope for no spread of the disease.

Mrs. George Helm has been very ill at her home here, but seems to be improving.

Mrs. J. A. Pederson and Mrs. Clare Sherwood were in Waukegan on business last Wednesday.

The H. C. Dixon family, residents here for the past four or five years, have moved to Waukegan where Mr. Dixon has been able to find employment. We are sorry to lose them and wish them success.

Aid Society to Stage Home Talent Play

The Ladies' Aid play, "Just Like Us," the third in the series of Band-box plays, was well received and also well attended last Wednesday evening. The Royal Neighbor play, "Madam Mazooka's Matrimonial Bureau," will be presented for your enjoyment this week and the Ladies' Aid will serve refreshments. Next week's play will be presented by the German-American club and it is sure to be good. Mrs. A. Jansen is director. Remember the evening, Wednesday of next week.

Firemen Have Card Party

The firemen held a very successful card party at the village hall last Thursday evening, and 32 tables of Bridge, Bunco and 500 were played. Charles Kelly won the door prize and B. J. Galtier won the cushion which was raffled. Among the prize winners were Ruth Perry, Mrs. Frances Barnstable, William Marks, Mrs. Fred Boyd and Walter Schneider. Catherine Rhoades won first prize in Bunco.

Mr. and Mrs. James Leonard had as guests on Sunday a part of their family who live in Chicago. Mrs. Leonard has been quite ill for the past two weeks, but is improving.

Ben Hamlin has been confined to his bed by illness for the past ten days, but is also on the gain.

Mrs. Leo Barnstable was hostess to her bridge club at her home west of town last Thursday.

Mrs. McManus and son Marty of Chicago came out to attend Mr. Shunk's funeral on Saturday and were the guests of Mrs. J. A. Pederson Sunday.

Mr. and Mrs. Frank Hamlin were Kenosha visitors on Monday.

Mr. and Mrs. B. J. Hooper went to Milwaukee last Wednesday to attend a convention and banquet held for Rexall dealers of this district and had a delightful time.

By immodest girls tempt the boys to tempt them.

Yesterdays

News of By-gone Years in Western Lake County
Forty Years Ago

Arthur Edgar's horse got away from him when he was returning from Antioch to Trevor, Tuesday night, but got stuck in a snow drift and Arthur overtook him before any damage was done.

ANTIOCH and Vicinity

Miss Dorothy Roeschlein
Bride of Chicago Physician

Miss Dorothy Roeschlein, daughter of Mr. and Mrs. C. J. Roeschlein, former residents of Antioch but now of Chicago, was married Sunday, February 10, to Dr. B. E. Albright of Chicago.

The ceremony was performed at the Webster Hotel at five o'clock in the presence of immediate relatives of the couple who were attended by Mrs. Edmund Vos, sister of the bride, and Dr. Orman. The bride wore a peach colored suit with a lacy collar, with hat and gloves to match and carried orchids, and Mrs. Vos was attired in silk erose and had a corsage of tallman roses and lilies of the valley.

A dinner and reception followed the wedding, after which the couple left for a ten day trip to Hot Springs, Arkansas. They will make their home in Chicago.

MOTHER'S CLUB ENJOYS
VALENTINE PARTY

Mrs. M. M. Stillson entertained the members of the Mother's club at a Valentine party at her home on Spafford St. Tuesday evening. The house was decorated with valentines and red and white sweet peas. The color scheme was red, white and pink with touches of silver and gold. Prize winning and other games were played. Prizes were won by Mrs. B. R. Burke, Mrs. L. O. Bright, Mrs. C. L. Kuttel and Mrs. Roy Kufalk. The door prize was won by Mrs. Kufalk.

WOMAN'S CLUB TO
MEET WITH MRS. KING

The Woman's Club will meet at the home of Mrs. Frank R. King next Monday afternoon, Feb. 18th. Mrs. John Brogan and Mrs. George Bacon will serve with Mrs. King. The speaker for the afternoon will be Mrs. Roy Hoadley, Vice President Illinois Federation of Women's Clubs. Mrs. H. J. Vos will speak on Current Events.

MRS. ANDERSON, MRS. WERTZ
ENTERTAIN AT CARDS

Mrs. Burt Anderson and Mrs. Charles Wertz entertained at a card party Saturday night at the Wertz home. There were prizes presented by Miss Helen Burnette, Mrs. Sheridan Burnette, Burnette, Mrs. Wertz and William Wertz, W. Fish and J. Fish.

PARTY AT RECTORY HALL
DRAWS GOOD CROWD

Ten tables of cards were played at the party given by the Altar and Rosary Society at the Rectory Hall last Thursday afternoon. Nine prizes were given. Serving on the committee with Mrs. Frank Hunt, chairman, were Mrs. M. Golden, Mrs. Robert Webb, Mrs. Alice Harvey and Mrs. Myrus Nelson.

CHANNEL LAKE GUILD
MEETS AT SIMPSON HOME

The Channel Lake Evening Guild met last Sunday night at the Arthur Simpson home on the Deering estate. Mrs. L. O. Bright assisted Mrs. Simpson. Bridge was played with honors going to Miss Louise Simons, Mrs. Bernice Fields, Clifford Hook and Howard Smith. Mr. and Mrs. Roberts won consolation prizes.

QUILT EXHIBIT
IS SUCCESS

The quilt exhibit given at the Episcopal Guild Hall Monday afternoon proved to be a very successful affair. Many old and modern quilts and rugs were displayed. A short program was given. Mrs. Mary Smart was chairman of the committee in charge.

GIVE BIRTHDAY PARTY FOR MISS
MASON AND ROBT. RUNYARD, JR.

A party was given Sunday night in honor of the birthday anniversary of Miss Doris Mason and Robert Runyard, Jr., at the Earl Skiff home on Pettie Lake. Bridge was played. Prizes were awarded to Miss Mary Gallier, Miss Myrtle Danhe, Harold Bell and Claire Sherwood.

PAST MATRONS ARE
ENTERTAINED AT KLASS HOME

The Past Matrons' club was entertained at the Otto Klass home last Thursday night. Mrs. Ernest Simons was co-hostess with Mrs. Klass. Four tables of bridge were played, prizes going to Mrs. George Bacon, Mrs. Paul Ferris and Mrs. Hugh Galbraith.

AUXILIARY MEETS AT
MAPLETHORPE HOME

The Auxiliary met last Friday night at the home of Mrs. Archie Maplethorpe. Miss Elizabeth Webb was co-hostess. Articles on National Defense and Americanism were read by the hostesses. Mrs. Maplethorpe played several piano selections.

ROYAL NEIGHBORS HOLD
REGULAR MEETING

The Royal Neighbors held their regular meeting Tuesday night. A social hour followed the business meeting. There were twenty-five present.

CHRISTIAN SCIENCE CHURCHES

"Spirit" was the subject of the Lesson Sermon in all Churches of Christ, Scientist, on Sunday February 10.

The Golden Text was, "Where the Spirit of the Lord is, there is liberty" (1 Cor. 3:17).

Among the citations which comprised the Lesson Sermon was the following from the Bible: "Now there are diversities of gifts, but the same Spirit. And there are diversities of operations, but it is the same God which worketh all in all. But the manifestation of the Spirit is given to every man to profit withal" (1 Cor. 12:4, 6, 7).

The Lesson Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good" (p. 518).

9:30.....Church School Sessions

10:45.....Morning Worship Service

Wednesday afternoon, 2:30, Ladies' Aid Meeting.

7:30 Wednesday, Choir Rehearsal.

4:00, Friday, Boy Scout Meeting.

May we extend an invitation to any child or young person who does not already attend some Church to be present at the Sunday morning sessions of our Church School and enjoy an hour of bible study and worship.

The theme for the morning worship service will be "The Christian and Law Observance." Have you been attending church on Sundays?

If not you are neglecting one of your first obligations. This series of sermons on Christian Ideals is planned to draw our attention away from self to the consideration of our moral and social relations.

A Father and Son Banquet and program will take the place of our regular monthly men's meeting and dinner. Every man in the community is invited and eligible to attend.

The Ladies' Aid Society will meet with Mrs. C. L. Kuttel Wednesday for a Colonial Luncheon.

Dan and Roger Williams saw the play, "L'Algon," at the Chicago Opera House Saturday afternoon.

Mr. and Mrs. Adolf Pesat and family spent Sunday in Cicero.

Mr. and Mrs. Fred Kirade spent Sunday with relatives in Mundelein.

Mr. and Mrs. C. L. Kuttel spent Sunday in Racine.

Mr. and Mrs. George Kuhaup spent Sunday with the Howard Lee family in Milwaukee.

Mr. and Mrs. Ed Forbrich and Louis Forbrich of Chicago spent Sunday with their mother, Mrs. Louis Forbrich, Sr.

A Plunkett Dinner will be served at the St. Ignatius Church Guild Hall on Monday, February 18, 1935, at 6:15 P. M. Dinner tickets, 25 cents. A card party will follow the dinner. Dinner and cards, 35 cents; cards only, 25 cents.

Mrs. Bass is spending a few weeks at the Hallways home.

Dr. and Mrs. Roy F. Hoadley of Yorkville, Illinois, will spend the week-end at the home of the latter's niece, Mrs. William Anderson.

Harry and Adolf Pesat, Jr., have the measles.

Chase Webb is somewhat improved after several weeks illness.

Mr. and Mrs. Walter Forbrich returned home from Florida Sunday. The Ladies' Aid will give a Colonial Luncheon at the C. L. Kuttel home on Wednesday, Feb. 20, from 11:30 to 1 o'clock. Price 25c.

Miss Ruth McCorkle of Elgin spent the week-end at home.

Mr. and Mrs. George Brand and son Billy and Mrs. Elsie Schroeder of Chicago spent Tuesday at the D. A. Williams home.

Mrs. David Deering and son left Sunday for a two weeks' visit with relatives in Piercetn, Indiana.

Edith Thompson
Becomes Bride of
Kenosha DoctorDr. and Mrs. P. P. M. Jorgensen
Go on Trip to
Santa Barbara, Cal.

A ceremony uniting in marriage Miss Edith Thompson, daughter of Mr. and Mrs. George Thompson, of Wadsworth, and Dr. P. P. M. Jorgensen, well known Kenosha physician, took place Saturday morning at 11 o'clock in the parsonage of the Congregational church, Racine.

In attendance at the nuptials were Dr. Jorgensen's son, Paul, of Racine, and his wife, the bride's brother, Leo Thompson of Wadsworth, and Miss Florence Swoboda of Racine.

Following a dinner at the Paul Jorgensen home Dr. and Mrs. Jorgensen left for a several months' trip to Santa Barbara, California. Upon their return, they will reside at the Jorgensen home, 817 Sixtieth street Kenosha.

The former Miss Thompson is a graduate of the Kenosha Hospital Training School for nurses. She also took special training at the Northwest Institute in Minneapolis, Minn., to become an X-Ray and laboratory technician.

She practiced her profession in Kenosha for several years; at Long Beach, Calif., and at Columbus, Nebraska. For the past three years she has done the X-ray and laboratory work at Condel Memorial hospital in Libertyville.

Miss Grace Pedersen arrived home Tuesday from a week's visit with friends in Chicago.

Mr. and Mrs. Hugh Galbraith are spending this week in Chicago.

Mr. and Mrs. H. A. Radtke returned Wednesday after spending several months in Dallas and Brownsville, Texas.

Rose Mary Morley has the measles. Henry Dreesman of Burlington was an Antioch caller one day last week.

Dr. and Mrs. Hulett of Union Grove spent Wednesday in Antioch.

Card of Thanks.

We desire to express our thanks to our friends and neighbors and to the members of the Antioch local of the Pure Milk association for their kindly expressions of sympathy and assistance given us during our recent bereavement—the death of George E. Tillotson. The Family.

FOR HIGHWAY COMMISSIONER

I hereby announce to the voters of Antioch township that I am a candidate for re-election to the office of Highway Commissioner. Your support will be appreciated.

CARL BARTHEL.

Size of Yellowstone Park

Yellowstone national park is chiefly in the northwest part of Wyoming with narrow adjacent strips in Montana and Idaho. It covers a surface as the park proper about 62 miles in length, from north to south and about 34 miles in width, with an actual area of 3,350 square miles. To this region, as originally circumscribed, a forest preserve of some 2,000 square miles has been added on the east and south, giving a full area to the park of somewhat over 5,500 square miles.

Weapons of Wasps, Bees

Wasps and bees are equipped with the most formidable weapons of defense of all insects. Many insects can bite and puncture with their mouth parts, but they can't do it as handily, neatly and effectively as the wasps can puncture with their stings. The sting of the common social wasp or bee is simply a weapon of defense which is not used so long as the insects are not disturbed or threatened with injury.

Largest Skeleton Shown

The largest skeleton in the world is on exhibition in the New Whale room in the Natural History museum in London. It is that of a blue whale, 82 feet long, which stranded itself on a sandbank off Ireland ninety years ago.

THE LAWYER EXPLAINS

By Attorney Bernard J. Juron

COURTS

There are a large number of courts, all designated by law for a certain purpose. In cataloging the various courts, we would start with the Justice Court which has limited powers, and no right to hear cases involving more than Five Hundred Dollars, although there is a limited power possessed by the Justice of the Peace in criminal matters. Next in order is the County Court which can hear claims involving One Thousand Dollars or less, and which is one of the first courts of recognized jurisdiction or power. Next is the Circuit Court which has unlimited jurisdiction and practically every kind of lawsuit is filed and tried before it, including criminal cases of every description. Next, we have the Appellate Court, which, in most instances, hears only cases which have been appealed to it from the lower courts. Then next in order is the Supreme Court of the State of Illinois which, so to speak, is the last word on all appeals coming from the lower courts. Nevertheless, there is the Supreme Court of Illinois. Comparatively few cases reach either the Supreme Court of Illinois or the Supreme Court of the United States because of the tremendous expense involved in preparing cases for the courts of appeal.

As a general rule, appeals must be taken to the next highest court. In other words, appeals from Justice Courts are taken to either the County or Circuit Courts, while appeals from the Circuit Courts are taken to the Appellate Court, and then to the Supreme Court.

The courts enumerated here function in accordance with the laws of the State of Illinois. There are var-

ious other courts that operate under Federal laws and under special laws, as, for instance, the Courts of the United States. The lowest is known as the United States District Court, and appeals from it go to the United States Circuit Court of Appeals, and from there to the Supreme Court of the United States. Then by special laws there are courts created for claims against the State or the United States. Those courts are generally referred to as the Court of Claims.

All proceedings on appeal are extremely technical, and it would be impossible for a layman to attempt to conduct his own case on appeal. Appeals must go through the several stages, except in certain instances. As an illustration, a case could not be appealed from a Justice directly to the Appellate or Supreme Court. Neither could a case be appealed from the Circuit Court to the Supreme Court of the United States without passing through the successive stages of the lower courts of appeal. A case which is filed in Justice Court can likewise be filed in the Circuit or other courts. Usually, cases are filed before Justices because it is possible to get an early hearing.

If we would delve into the history of courts and go back into English history, we would discover the House of Lords Court, Ecclesiastical Courts, King's Court, Lord Mayor's Court, Court Marshall, Court of Chancery, Court of Chivalry or Military Court, Court of Exchequer, Court of Star Chamber, et cetera.

In the next issue we shall take up the question of Receiver.

This Week in Washington

by
RALPH E. CHURCH

Washington, D. C., Feb. 9.—When

Senator Borah who occupied the center of the stage. The Court issue has been disposed of, and now the focus of attention is on Senator Carter Glass, Democrat, from Virginia.

He is Chairman of the Appropriations Committee which has the \$4,880,000,000 bill under consideration. Notwithstanding the Administration's desire that the bill pass without delay and without amendments, Senator Glass is insisting upon certain provisions being made as to the manner of spending this vast sum. There is even the possibility that he will be able to obtain a reduction in the size of the appropriation.

He is likewise a member of the Committee on Banking and Currency, and on Tuesday, the 5th, the Administration's bank bill was introduced. Ordinarily such a bill would be referred to the sub-committee of which Senator Glass is Chairman, where it has been the custom to refer legislation pertaining to the Federal Reserve system. But inasmuch as the Senator has not been in accord with the Administration's monetary policy and will not concede readily to the Administration's requests in matters of legislation, to prevent the possibility of "Glass amendments" at this writing there is the possibility that the bank bill will be referred to some other sub-committee than that headed by Glass.

The Senator has a long and brilliant career in national affairs. He was elected to the 57th Congress and each succeeding Congress, including the 66th, when he resigned his seat to accept the appointment in 1918 as Secretary of Treasury in the Cabinet of President Wilson. He resigned that position in 1920 in order to qualify as Senator from Virginia, in which capacity he has served over

since. President Roosevelt's invitation to accept the position of Secretary of Treasury in his cabinet was declined. The Senator can be said to be a Democrat of the old school of Jeffersonian Democrats.

The Committee on Rules has under consideration a Resolution calling for the investigation of delays, discriminations and irregularities in the Home Owners' Loan Corporation. As someone has said, the Committee is "investigating the advisability of investigating."

At the same time Congressman Henry B. Steagall, Democrat, of Alabama, has introduced a bill authorizing an increase in the Corporation's capital in the amount of \$1,500,000. Doubtless no final consideration will be given to this measure, and there are many like bills pending, until the question of investigating the Corporation is settled.

T. B. ASSOCIATION PREPARING FOR APRIL CAMPAIGN

The February Chest clinic of the Lake County Tuberculosis Association will be held at the St. Theresa Hospital on Wednesday, February 20, from 10-4. All new patients are requested to attend the clinic in the morning.

The fact that tuberculosis may attack any part of the body as well as the lungs will be stressed in the state-wide educational campaign to be launched in April by the Illinois Tuberculosis Association, the Executive Committee of the organization has announced.

"Because there is much more pulmonary tuberculosis than any other type, many persons believe that the lungs alone are susceptible to the disease," the committee pointed out. "On the contrary, almost any organ may become a victim of tubercle bacilli."

"In young people especially, the bones and joints may suffer. This may result in crippling such as hunchback, a stiff knee, hip or elbow. Although the bone and joint type of the disease is far less common than it was a quarter of a century ago, it is still the cause of many deformities in children and should be guarded against by parents," the committee said. "Tuberculosis of the glands of the neck, once a common ailment, is becoming rarer."

"One of the principal reasons for the reduction of these 'extra-pulmonary' types of tuberculosis is the reduction of tuberculosis in cattle, made possible through tuberculin testing of dairy herds. Eliminating the possibility of infection through the pasteurization of milk likewise has resulted in less tuberculosis. Notwithstanding, children throughout the state are still drinking milk from tuberculous cattle," the committee stated.

Tuberculosis sometimes attacks the intestines of a person who has the disease in the lungs, probably because the germs are swallowed and lodge in the tract. Skin tuberculosis is rather uncommon in the United States. The kidneys and bladder, the eyes, the ears and other organs all may become diseased. Tuberculosis of the vocal chords is usually part of a lung tuberculosis. It causes hoarseness and sometimes loss of voice.

In addition to warning against all types of the disease, the committee intends to point out in the educational campaign that whatever organ is attacked the general treatment is rest for the whole body in addition to whatever special measures the physician may take for treatment of the diseased part.

Meaning of "Junket"

The word junket as often applied to congress was originally applied to a banquet, or a picnic or excursion with feasting but it has come to mean a trip at public expense by government officials to some distant post, territory or public works for the purpose, they claim, of investigating conduct or for inspection. Congressmen, especially, have been noted in the past for their junkets to distant regions flying the American flag.—Pathfinder Magazine.

Meaning of "California"

If the name of the Golden State were reduced to its Spanish interpretation, it is very probable that the aggressive advertising of its climate would be largely nullified, for literally "California" is a combination of two Spanish words meaning "hot furnace," writes G. R. Turner in the Kansas City Times. The Spaniards, who were the first white men to explore the state, gave to it this name because their interest was not in the cool verdant lands of the seacoast, but in the hot arid sections of the interior where it was believed gold was to be found.

Postage Stamps

The post office department says that no postage stamps are legal tender, but all postage stamps since 1861, if in an undamaged condition, are good for postage.

Timely Volumes at Antioch Library

Perhaps one of the most timely books in the Antioch Public Library is "Merchants of Death" by H. C. Englebrecht, Ph. D., and F. C. Hantgen. It is an exposure of the anti-human methods employed by the great munitions makers in time of war. It shows the international ramifications of such firms as Vickers, Schneider and Krupp and how the trading of necessary war materials through neutral countries by the belligerents during the World War prolonged its length. This book sheds considerable light on the reason for

the prolonged munitions inquiry by the Senate.

Another highly interesting and informative book on our shelves is "The Robber Barons" by Matthew Josephson. Mr. Josephson tells us of the spectacular roles played by such men as Rockefeller, Vanderbilt, Gould, Morgan, and Carnegie in the industrial revolutions following the Civil War. The quarrels of these financial giants, the development of the Standard Oil combine, the huge land grants given by the government to stimulate railroad building, all receive full attention. In those hectic days of "empire building" moral principles and business ethics were often cast aside as excess baggage in the race to build a new railroad or

F.C.A. UNIT PREPARES TO HANDLE RUSH OF PRODUCTION LOANS

The next two months will see the farmers of Lake county making plans to finance their season's operation costs. In anticipation of the flood of requests for loans, in the 291 counties of Illinois, Missouri and Arkansas, the Federal Intermediate Credit Bank of St. Louis, which serves these three states, has made preparations to handle as many as 1000 applications and loans per day, according to word received by the News from Joseph R. Cosgrove, president of the Federal Intermediate Credit Bank.

The Federal Intermediate Credit Bank, one of the units of the Farm Credit Administration of St. Louis, does not make loans directly to farmers but discounts or purchases farmers' notes for production credit associations, banks, agricultural credit corporations, and livestock loan companies. It also makes commodity loans to cooperative marketing associations.

Last year the Bank handled 34,067 loans and applications for a total of \$15,506,000. During the spring rush 750 applications were handled in one day. Applications received during the first seven days of this month averaged more than 100 per day.

Mr. Cosgrove urges Lake county farmers in need of this type of short term working capital to see the secretary-treasurer or application taker of the local production credit association at once in order that the funds will be available when needed.

He points out that the interest which at present is 5 per cent per year does not start until the borrower starts using the money. Loans are made for general agricultural production purposes including crop and livestock production.

BOY SCOUT NOTES

As a result of the Silver Jubilee Celebration of the Boy Scout Movement last Tuesday twelve new applications for membership have been received and we hope that before the month is passed our membership roll will number at least thirty.

Next Thursday the boys are to be guests of Mr. Fred Swanson at the Antioch Theatre. Only Scouts whose applications have been properly filled out and turned in will be given tickets.

Scout meeting will be held Friday of this week at the home of the Scoutmaster immediately after school. Be sure and be on time and bring a three-foot piece of rope and your scout handbook if you possess one. Every scout should also possess a good knife and have it in good shape. This is part of a scout's regular equipment.

Scout application blanks may be obtained from the Scoutmaster at any time.

Shamrock, Ancient Plant

The shamrock, being a form of clover, is one of the most ancient plants in Ireland and was the "seamrock" in Gaelic. It is one among many trifoliate. The kind best known has white blossoms, but it is cherished most for its leaves, which figure in holy tradition.

Whiteness of Snow Crystals

The whiteness of the snow crystals is due to the reflection of light from their many facets.

BIG CROWDS ATTEND DRAMAS AT CRYSTAL EACH FRIDAY NIGHT

The J. B. Rothman Players continue to draw packed houses at the Crystal Theatre each Friday night. This week the players will present "Disappearing Jimmy," a comedy drama that is sure to please, the manager says. Next week, Friday, Feb. 22, the play will be "Meet the Bride," and says "J. B." "It's a smashing, clean cut comedy with unusual situations and laughs throughout." He has just contracted for this comedy which is an outstanding hit of the day.

The company is playing in co-operation with Antioch business firms who are giving free tickets for every performance. These merchants' free tickets plus a 10-cent service charge at the box office admits to the theatre where you may enjoy two hours of clean amusement.

Maier Meets Old Friends in West

Al B. Maier, garage owner and Goodyear tire dealer of Lake Villa, who with Mrs. Maier returned recently from a trip to California, told friends here of a day's visit to the Goodyear factory in Los Angeles where he and Mrs. Maier were guests of General Sales Manager Walter Hazlett. The visitors saw every process of tire manufacture in the Los Angeles plant and afterwards took a sight-seeing trip in the Goodyear blimp, "Volunteer." During the western trip Mr. Maier met many old friends that he had lost trace of through transfers in the organization. Maier has been a representative of the company for more than 28 years.

Why They Are Kissed

The small crosses or x's were at one time more important than as symbols indicative of youthful romance, writes G. R. Turner in the Kansas City Times. Their origin dates back to a time when few people could read and an even fewer number could write. Nevertheless, wills and other public documents had to be signed somehow, so those who were unable to write merely made their mark. The solemnity of affixing one's signature to such binding agreements led, in a highly religious age, to making such marks in the form of a cross that the signer would kiss as a pledge of good faith and as an act of reverence. Thus the cross on paper became associated with the kiss.

The Six Toughest

The six toughest plants in the United States are the cottonwood, rabbit bush, aromatic sumach, a shrubby penny-royal, a gusset and the peculiar gymnosperm, Ephedra. They are so hardy that they are able to maintain themselves in the White Sands of New Mexico, a deposit that is 98 per cent pure gypsum, located in an area virtually without rainfall.

The Greek Alphabet

The letters of the Greek alphabet, with the corresponding English letter, may be seen in any unabridged dictionary. They are: Alpha (a), beta (b), gamma (g), delta (d), epsilon (e), zeta (z), eta (e), theta (th), iota (i), kappa (k), lambda (l), mu (m), nu (n), xi (x), omicron (o), pi (p), rho (r), sigma (s), tau (t), upsilon (u), phi (ph), chi (ch), psi (p), omega (o).

Michigan Protects Badger

Unlike most other states, Michigan includes the badger among its protected animals. Other communities look upon it as highly predatory and constantly seek its elimination from game cover.

GRADE SCHOOL NOTES

"In School Days"

HIGH SCHOOL NOTES

ELA LOSES TO FIRST TEAM

The local basketball squad began the jaunt down the home stretch of the season last Friday night by dividing two games with Ela. The first team won by a score of 24-16. The second team lost 23-16.

In the first team game the Sequoia showed a decided superiority though the Blue and White warmed up enough in the last quarter to make it interesting. Stappenberg led the scoring with five baskets. Bishop, who played forward for the first time this season, went at a terrific pace but was not able to hit the basket much till he slowed down. Simpson scored two baskets and played an excellent defensive game.

The second team game was featured by the spectacular playing of Jacobs both on the floor and in scoring. Jacobs led the point getters with five baskets and two free throws. Ela's shifting zone defense and the fact that Richey could not be used the entire game at center were the chief factors in the downfall of the Sequoia.

The Sequoia go to Leyden Friday, February 15.

P. T. A. OBSERVES FOUNDERS' DAY WITH PROGRAM

Past Presidents Also Honored at February Meeting Monday Night

Over 100 parents were in attendance at the grade school Monday night when a program in honor of the founders of the National Council of parents and teachers was provided by children of the grades.

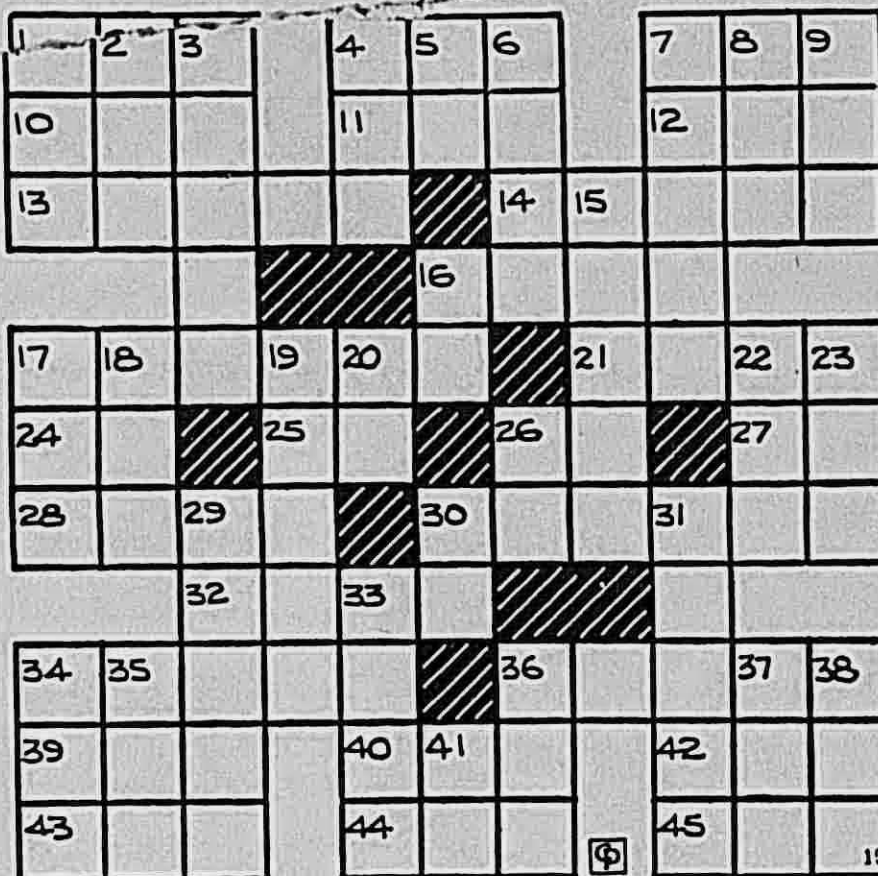

Numbers of the program included an operetta, "Father Time's Party," by the first and second grades; "The Marching Song" and "The Three Little Kittens" by the third grade pupils; "Follow the Throng" and "The Galway Piper" by the fourth grade; "Waiting for the Train," played by fifth grade, and "The Theatre Party" a play by the sixth grade.

Along with the refreshments was a birthday cake bearing a candle for the national organization, one for the local P.T.A. and one each for the past presidents. Cake and coffee were served to all. Past presidents attending were Mrs. Henry Grimm, Mrs. L. B. Grice, Mrs. P. E. Chinn, and Mrs. George Phillips.

Dr. Frank J. Jirka, Director of the State Department of Health, will be the speaker at the March meeting of the P. T. A., according to announcement made today by Mrs. Ernestine Robbins, president.

CROSS WORD PUZZLE

Solution on page 4

ACROSS

- 1—Edge
- 4—Bird of the night
- 7—Small (Scottish)
- 10—Unit
- 11—Night before
- 12—Boy's name
- 13—Pass into law
- 14—Wants
- 16—Heavenly body
- 17—Begin again
- 21—Dry, wilted
- 24—Correlative of either
- 25—Preposition
- 26—Chinese money
- 27—Article
- 28—Skill in relieving strain in conversation due to some embarrassing incident
- 30—European country
- 32—Purse
- 34—Wharfs
- 36—Bishop of Rome (plural)
- 39—Neuter gender pronoun (possessive)
- 40—Vegetable
- 42—A card game
- 43—Small child
- 44—Japanese coin
- 45—Half an em (plural)

DOWN

- 1—Deer
- 2—Hotel
- 3—Animal flesh (pl.)
- 4—Wager
- 5—Avenue (abbr.)
- 6—Canvass shelter
- 7—A unit of cubic measure—35.21 cubic feet

By-Products From Corn

From the kernels of corn are derived yeast, gluten, dry and wet starches. Dry starch is used in making textiles, paper, confectionery, explosives, adhesives, colors and fire works. Sugar is derived from the wet starch for use in dietetics, brewing, alcohol, fermentations, etc. Also, corn oil, soap, glycerin, salad and other oils may be derived from the germ in the corn.

Summer Accidents Fatal

Summer is an especially hazardous season for fatal accidents. The mortality rate is 25 per cent greater than in winter or spring and 10 per cent higher than in fall.

307,000 Indian Acres in Coffee
Coffee plantations in India cover 307,000 acres.

Airplanes With Machine Guns
Prior to the outbreak of the World War no airplane on the western front was actually armed with a machine gun. Rifles, carbines, pistols, shotguns and hand grenades were carried by pilots and observers. The Fokker monoplane (Autumn, 1915) was the first effective "fighter" airplane. It was fitted with a fixed machine gun firing straight ahead, and a synchronizing gear by which the actions of the engine and the machine gun were so co-ordinated that the gun only fired when the propeller blade was not opposite the muzzle of the gun.

Blend Chimney Color
Frequently, a chimney seems to cut a house in parts. It is important, in painting a small dwelling in an attractive color scheme, to make the chimney an integral part of the picture. It may be painted with either stucco or concrete paint.

Vieux Carre of New Orleans
The Vieux Carre of New Orleans is that section of the town whose limits correspond with those of the original city as laid out by La Tour and Pange in 1720. It was destroyed by fires in 1788 and 1794, and rebuilt mainly in the Spanish style.

Speaking and Silence
Speaking comes by nature; silence by understanding.

ANNOUNCE NEW MILK PRICES

Announcement has just been made by Frank C. Baker, Milk Administrator of the Chicago License, that payments to producers on January milk will be for 55% of base at \$2.10; for 20% of base \$1.30; while the excess or surplus, \$1.18. The above are gross prices.

It is further reported that Class 1 sales dropped 6% and the total production dropped approximately 2%. For all milk reported to the Administrator this would indicate an average price of \$1.69 per cwt. net to the producers, i. e. b. country plant.

Total deliveries for January were 119,925,000 pounds as compared with 121,679,000 pounds for December; 61.1% of this January total is paid for by the distributors at \$2.10 per cwt. which is a blend of half the month at \$2.00 and the last half at \$2.20; 19.9% of the total milk was paid for at \$1.30 per cwt. and 19% at \$1.18 per cwt. as surplus.

The next increase to producers on all milk is approximately 8c per cwt. over December.

The Board of Directors of Pure Milk Association announce that it is following the direction of resolutions passed at practically all district meetings in attempting to work out with distributors a written contract

covering direct sale of association milk to distributors. This contract is so drawn that the association milk used by distributors will be used and paid for in the highest possible classification in order to prevent large quantities of milk falling into cheap manufacturing classes.
